SST Homework Checklist

* **Notebook:** Complete all pending chapters, diagrams, and map work. Ensure your index is up to date.

Revision: Learn **two questions** from every chapter daily. Try explaining the answers out loud to practice your English.

Assignments: Finish the cover page and all teacher-sent assignments. Make the cover page colorful with "Geography" or "History" themes.

Project : Create a 3D model of the Earth (Globe).

How to Make the Earth Model

To show the Earth's features clearly, follow these quick steps:

1. **Base:** Use a round object like a **Styrofoam ball** or an old plastic ball.

2. **Colors:** Paint the "Water" areas blue. Use green or brown paper cutouts (or paint) to represent the **Continents**.

3. **The Axis:** Insert a stick or wire through the center at a slight tilt (**23.5 degrees**) to show how the Earth actually rotates.

4. **Important Lines:** Use a black marker to draw and label:

* **The Equator** (0°)

* **The Prime Meridian** (0°)

* **North and South Poles**
